

## South Fayette Soccer Parents We Need Your Help

In order to continue to provide a quality soccer program, we are asking each family to contribute time for the benefit of all.

Please note: Only one of these forms needs to be submitted per family. If you have multiple registrations, this form needs to be completed only once. If we all pitch in a little, no single family will have to shoulder an unfair amount.

Each committee has a need. Please mark you choices by marking 1 through 4. (1<sup>st</sup> choice, 2<sup>nd</sup> choice, etc.) next to the committee where you feel your talents would be most useful. Depending on the numbers signed up for each committee, you may also be asked to serve on a committee other than the one you have chosen. The SFSA Executive Board reserves the right of placement on each committee.  
**You will only be contacted by one committee!**

**Print this form and submit to any board member or via postal mail along with your registration.**
