Medical Release Form

It is the responsibility of the camper's parent or legal guardian to ensure that the camper is healthy and has no physical problems which would prevent the camper's participation in camp activities. Responsibility for primary medical coverage rests with the camper.

I grant permission for my child to receive emergency medical treatment if needed and to not hold the directors; it's servants, agents, and/or employees and contractors from any claims for injuries sustained by my child during his or her participation in the camp.
