- Extra U8 goals at El Rancho – these can be moved where they are needed.
- Spoke to coaches about requiring parents to work concession stand. This turned into a long conversation about parents not wanting to volunteer in the stand. After a lengthy discussion, it was voted, by a majority that parents were to pay \$15 to cover the cost to hire older teenagers to work the stands. If you volunteer in another capacity, your check would be returned to you. The check would have to be post-dated so that we knew who would be possibly volunteering.
