#### **Presidents Report**

- **Call to order** Approved January meeting minutes. These were approved by Christine 1<sup>st</sup> and Carl seconded.
- **Director of Coaching Position.** There were two inquiries into this position. Would call the one gentleman for a possible interview.
- **Discussed having the Riverhounds come again in the spring.** Would have all coaches set aside one night per week so that the kids could participate in Riverhounds if they wish and still attend their regular practice session. The night would be determined based on what night the Riverhounds would have available. Would have to talk with Justin Evans their new coach to find out what day they could come.

#### **Vice Presidents Report**

- **Discussed evaluations.** There would be separate evaluations for those interested in participating in Division I. Even if they are not good enough for Division I they would still be placed on another South Fayette team. No one would be turned away. Rob volunteered to summarize evaluations in a write up for the web site so there is no confusion.

#### **Registrar's Report**

- **The only kids that would be allowed to move up to play in an older age bracket would be those with a purpose.** Ex: not enough kids on a team
- **Discussed how many teams there would be per age bracket**
