- **Director of Coaching Position. Will it be a paid position? Possibly 2-3 days a week. Conduct age specific drills. Salary would be based on experience. We would possibly have to advertise this position. The position would only be during the spring and fall season. Have to use the same terminology so all players and coaches are on same page. Mid-Season review and an End-of-season review. What would they expect to accomplish. This position would work more with the in-house than the travel.**
- **Agreed to write the job description.**

- Problem with ants. Discussed having the stand sprayed in the spring. The roof is also leaking. Would temporarily fix and possibly cover with a tarp for the winter.
